

SUPPLEMENTARY BIBLIOGRAPHY.

This list includes a few works on the Tunicata omitted in the Bibliography given in the Introduction to Part I. of this Report, and also those which have been published since 1882, thus completing that former Bibliography and bringing it up to date (1885).

1851. FORBES, EDWARD, and GOODSIR, J., On some remarkable Marine Invertebrata new to the British Seas. *Trans. Roy. Soc. Edin.*, vol. xx. part ii. p. 307.
1860. STANZER, J., *Cynthia vestita*, an undescribed Ascidian. *Trans. Tyneside Nat. Field-Club*, vol. iv. p. 335, 1860.
1862. RYCKHOLT, BARON P. DE, Description de deux Tuniciers carbonifères et d'un nouveau genre de la famille des Chitonidæ. *Journ. de Conchyl.*, sér. 3, tom. ii. p. 255.
1864. STIMPSON, W., Description of New Species of Marine Invertebrates from Puget Sound, collected by the Naturalists of the N.W. Boundary Commission, &c. *Proc. Acad. Nat. Sci. Philad.*, No. 3, p. 153.
1865. LACAZE-DUTHIERS, H. DE, Sur un nouveau type dans le groupe des Ascidiens, le *Chevreulius callensis*. *Comptes rendus*, vol. lx. p. 1264.
1868. AGASSIZ, A., Description of *Salpa Caboti*, Desor. *Proc. Boston Soc. Nat. Hist.*, vol. xi. p. 17.
GRAY, J. E., Note on *Oculinaria*, a New Genus of Social Ascidia. *Proc. Zool. Soc. Lond.*, p. 564.
1869. GALTON, J. C., The Structure and Affinities of the Sea Squirts (Tunicata). *Pop. Sci. Review*, vol. viii. p. 241.
1870. GANIN, M., Observations on the Development of *Didemnum* and *Botryllus*. *Progr. Univ. Warsaw*, 1870, No. 4, 66 pp. (In Russian.)
1871. MORSE, E. S., Relationship of the Tunicates. *Proc. Boston Soc. Nat. Hist.*, vol. xiv. p. 137.
HANCOCK, ALBANY, Note on the Larval State of *Molgula*. *Rep. Brit. Assoc.*, Trans. Sec., 1870, p. 118.
1872. ARSENIJEFF, H. A., Development of the Mantle in *Ascidia intestinalis* and *Ascidia mammillaris*. *Izv. Obsk. Zest. Mosk.*, vol. ix. p. 86. (In Russian.)
DALL, W. H., *Salpa herculea* and *cymbiola*. *Amer. Journ. Conch.*, vol. vii. p. 158.
1875. EISEN, G., *Vexillaria speciosa*, n. sp. Ett Bidrag till Appendiculariornas Anatomie. *K. Svensk. Vetensk. Akad. Handl.*, vol. xii., (9), 1874, 15 pp. (3 pls.).
GIARD, A., Embryogenie des Ascidies (Extr.). *Assoc. franç. pour l'avancem. des sci.*, vol. iv. p. 799.
HILGER, A., Zur Kenntniss der Mineralbestandtheile der Echinodermen und Tunicaten. *Pflüger's Archiv f. d. Physiol.*, vol. x. p. 212.
REICHERT, K. B., Zur Anatomie des Schwanzes der Ascidien-Larven (*Botryllus violaceus*), 42 pp. 5 pls. 4to. Berlin, 1875.
1876. BARROIS, J., Une Appendiculaire des côtes de la Manche. *Bull. Sci. du dep. du Nord*, vol. viii. p. 113 (1877).
